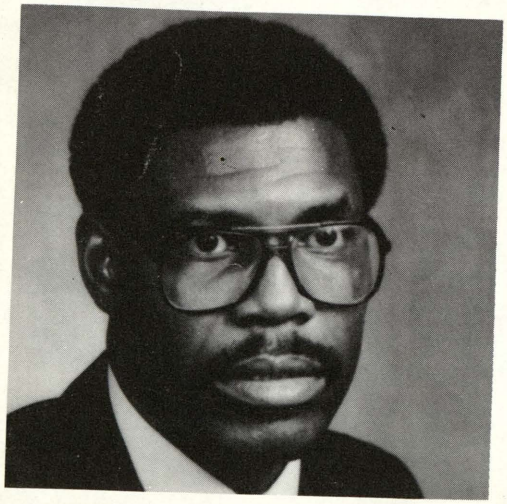
ADMINISTRATION

The Reflector Yearbook of Central Junior High School for the years 1986-1987 and 1987-1988 reflects years sixty-four and sixty-five, respectively. During those sixty-five years, the children of this community have shared many rich experiences in learning and fun-filled activities. As young people, it is now time for you to dream dreams and strive to make your dreams a reality. For only the dreamer can fulfill the desire of a lifetime. Best wishes for the summer.

Mrs. Jane V. McGhee, Principal

I wish the best of luck for everyone, and I hope your smiles will be as happy everytime you look at this Reflector in years to come.

Mr. John M. Kring, Assistant Principal



It is with great admiration that I congratulate the Ninth Grade class for the leadership and character you have displayed during the past school year. We salute you for your academic achievement, and encourage you to continue to work towards the completion of the goals you have set. Hoping the best for you who have proven that you are the best.

BOOSTER CLUB

The Central Junior High Booster Club was organized in 1985. The Club was formed to help enhance the academic, athletic, cultural, and social programs for all students. To allow all students an opportunity to become a world-class citizen with contributing assets to the community and society.

Robert C. Kring, President

Above Top L-R Lee Williams, Derrick Presley, Lewis Garrett, Jake McNair. Back Row L-R Walt Haynes, Henry Hopson, Roy Manning, Advisor & Robert King M Left L-R George Currie, Vice-President, Robert King, President L-R Henry Hopson, Treasurer, and member, Charles Braddock M Right L-R Lee Williams, Secretary, Robert King, President, Henry Hopson, Treasurer.

These gentlemen give their free time to raise money to support programs at CJHS, for all students. They are not on our staff, they are just concerned parents and citizens, willing to help where they see a need. Listed are just a few things they have been able to do for us: a popcorn machine; a large parade banner; gave money to help pay for the printing of the yearbook; and purchased us a school camera (used by yearbook staff); This keeps the cost down on student's price of the yearbook. Some of the activities they have sponsored are, fish fry, pancake breakfast, raffles, adult dances, etc. Up coming functions:

Pancake Breakfast at CJHS	3-19-88
Oldie But Goodie Dance	4-16-88 at school
Car Wash (fish sold)	May
Car Wash (fish sold)	8-20-88 at school

Parents your support of these activities are much needed. Volunteers are always needed, so please come out and join the boosters.

Thank you, BOOSTERS

ACKNOWLEDGEMENTS A sincere thanks to my yearbook staff, the Booster Club, Miss Marsh and her Journalism class and the entire staff for their support. Mrs. Weater Newton, Yearbook Coordinator

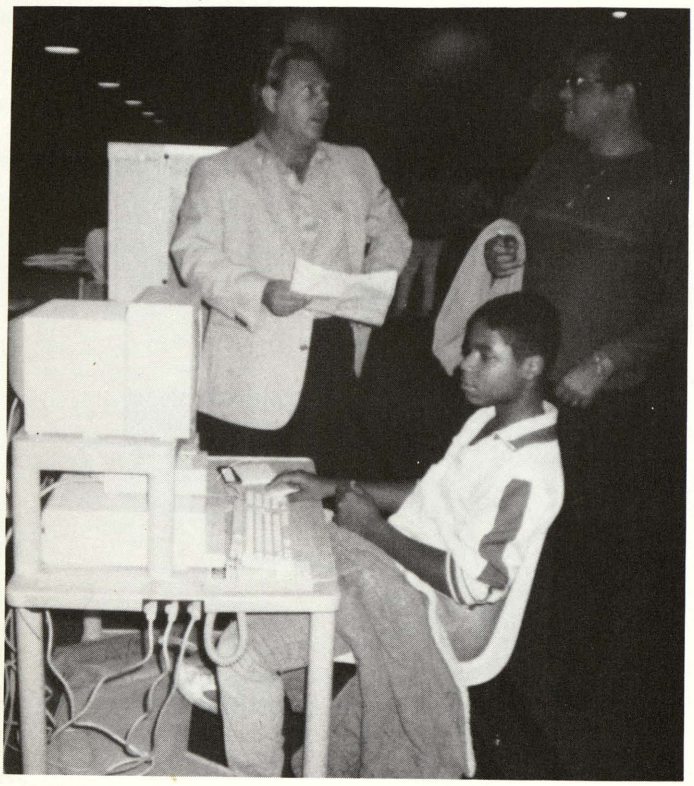
OPEN HOUSE



L-R Computer Teacher, Mr. Decker, parent and student seated, Isaiah Liles

October 29, 1987 Open House was held at Central Junior in the gym.

The time schedule was split in two sessions. Parents could come between 1:30 and 4:00 and again between 6:00 and 8:00 p.m., which allowed parents who got off work late to attend.

Parents picked up report cards in the entrance lobby near the gym.

Then they went to the gym and registered in. They then could visit with teachers and have an opportunity to go by tables that were set up displaying materials from each subject area. Refreshments were served in the cafeteria.

Parents commented on how well they liked having everything in one place. They could see all teachers or certain ones without the delay of following their childs schedule and going from room to room. We had a large turnout.

Seated, Mrs. Montelo, Study Skills teacher.

Presidents from each class make up the Council. Mrs. L. Johnson is the group advisor. They meet to discuss problems or programs that can improve our school.

One of their most important projects was the CANNED FOOD DRIVE, held during the month of November. Twenty-Five boxes of food were donated from students and staff. The P.T.A. donated money to purchase six turkeys to put in six of the boxes. Seven boxes were donated to needed families in our community, five boxes were given to the soup kitchen, five to the Good Neighbor's Mission. The remaining eight boxes were given out at Christmas to more Community families. Awards were given to the three top homeroom winners. 1st place—Mr. Pitts-299 cans, 2nd Place—Mrs. Strawter-102 cans; 3rd Place—Mrs. Wilmer-70 cans. CONGRATULATIONS!!

PRIDE'S ALIVE WITHIN THE COUGARS

COUGAR PRIDE
by Mikhail Reedmar

The 1987 Christmas Pride Parade was held on November 21, 1987 Marching bands and Cheerleaders from various schools have always been asked to participate in this parade. But this year for the FIRST TIME a school, Central Jr. was asked to enter a FLOAT. Our floats motto was "Flying High with Cougar Pride." Our motto was chosen to show the pride that we have in our school, float, and in ourselves.

The float's base was a red and grey pick-up truck which was donated by Labadie Oldsmobile. It took three days to decorate and when we were done, we had something to be proud of! It was decorated with balloons, posters, paper flowers and purple banners. Central's Concert, and Cadet Band, Pom-Pon squad and Cheerleaders showed off their Cougar Pride by marching and performing in the parade.

We would like to thank all those Cougars who gave their help in preparation of the float and who actually marched on that cold, cold day. We received a certificate for participation in the Pride Day Parade from the City.

CENTRAL JUNIOR TWINS. They give us pleasure and sometimes double trouble. They are Tamika and Tiffany Brewer, Christopher and Ryan Winbush, Shanta and Keith Rowe, and Carlos (shown) and Juan Espanza
